Tira Ranks Second With Index Of 3.910

Tira Yermack has attained the position of salutatorian of the Class of '64 with an index of 3.910.

Tira has successfully combined a heavy academic load with many extra-curricular activities. This year she is serving as Girls' Club Secretary, Spanish Club President, Senior Honor Society Secretary, chairman of the Honor Roll and senior representative to Student Council. She is also a member of the GAA Council and head of bowling.

Tira has also belonged to Junior Honor Society, Junior Prom Committee and FTA. She is at present a member of Joe Berg Seminar and attends the Spanish meetings.

During her freshman year, Tira received the Biology and math awards. Last year she was selected as an alternate to Girls' State.

Outside of school, Tira has participated in a Methodist Youth Fellowship and her church choir.

"Ti" says her most exciting high school experience was the summer she spent in Mexico with the Indiana University Honors Program in Foreign Languages. She hopes to return sometime in the near future.

Tira plans to attend Indiana University and study foreign languages and history in preparation for a career in the foreign service.

Shirley Leads Class Earning 4.073 Index

Shirley Zivich, valedictorian of the Class of '64, attained her standing with an impressive 4.073 index. Because Shirley took several advanced courses, she has better than a straight "A" average. There has never been an index higher than 4.000 in the history of Lew Wallace.

Aside from having an excellent scholastic record, Shirley has been active in many clubs and organizations in and out of school. She is currently president of FTA and treasurer of Concert Orchestra. She has been a member of Student Council for two years and was in charge of the Inaugural Ball this year.

Shirley's other activities have included Girls' Club Council, Junior and Senior Honor Societies, Auditorium Council and Biology Club. She was chairman of the Bids, Favors and Programs Committee for the Junior Prom and is now serving on the Senior Luncheon Committee.

Shirley has been a member of the World Affairs Forum for two years and has been a member of All-City Orchestra for four years. She was a member of the Gary Symphony Orchestra her freshman, sophomore and junior years.

Shirley has received many honors and awards during her high school career. She was a representative to Girls' State and received the Outstanding Citizen Award. She received an English award her freshman year.

Shirley's philosophy of life is contained in the saying, "If you have faith the size of a tiny grain of mustard, all things are possible."

Shirley plans to attend DePauw University (where she has been awarded a scholarship) and study secondary education, majoring in music and minoring in history. After receiving her degree, she hopes to enter the field of school administration.

Thirteen Homerooms Participate Tuesday In Girls' Club Sing

Thirteen homerooms will participate in the annual Girls' Club Sing Tuesday morning in the main auditorium.

Homerooms Participating In Sing
Class 80 will sing **Getting To Know You**. Homeroom 81, 82 and 83 will sing **Memories, Moon River and These Are A Few Of My Favorite Things**. Class 84 will sing a medley of school songs while class 85 will present their version of **Sentimental Journey**.

Two junior homerooms entered are 60 and 61. They will sing **Happy Days Are Here Again** and **Moonlight Bay**.

Sophomore homeroom 42 will sing **Mickey Mouse Club Song**. Homerooms 45 and 48 are taking songs from the 1920 era. Homeroom 45 will sing a medley of roaring twenties songs while homeroom 48 will sing **Alexander's Ragtime Band**.

The two freshman homerooms entered in the sing are homerooms 21 and 23. Homeroom 21 will sing **Bossa Nova** and homeroom 23 will present their version of **Swanee**.

Judges Will Select Winner

Judges for the sing are Mr. Alfred Fissinger, Mrs. Mary Benson or Mrs. Mary Frances Busby. Linda Orlich, Girls' Club president, organized the sing. Miss Dorothy Kouvelas, Miss Ann Novak and Miss Judy Perrotta are Girls' Club sponsors.

Students Practice For "It's Academic"

Three students who will represent our school on the television quiz program, **It's Academic**, are going through simulated program sessions after school some days.

Georgeann Mandich, Rich Oracheff and Frank Panchak are being bombarded with questions similar to those that will be used on the program. Miss Shirley Bryan prepared questions on social studies; Miss Evelyn Parnell, English; Mr. Robert Manwaring, sciences; Mrs. Doris Boose, math; Mr. Gino Burelli, art and Mr. Kenneth Lowenburg, music. Each teacher has been coaching the team in his subject area.

Five Attain 4. Index

Only five valedictorians in the history of Lew Wallace have ever attained a 4.000 index. In 1946, Richard Athey, former editor of the **Philosopher** achieved a 4.000 average. In 1948, Dorothy Guise and Marva Hartsough, co-editors of the **Philosopher**, both garnered the perfect average.

Three years ago in 1961, Susan Hart earned the 4.000 index. This year a new standard has been set with Shirley Zivich's better than perfect 4.073 index.

Standing left to right are Pete Vasil, Linda Anderson, Linda Orlich, Frank Panchak. Seated is Mr. Donald Torreson.

Vasil, Anderson, Orlich, Panchak Ranked As Third, Fourth, Fifth In Class Of '64

Pete Vasil, Linda Anderson and Linda Orlich and Frank Panchak have been named to the third, fourth and fifth places respectively in the Class of '64.

Third Place

Pete Vasil achieved the third place with an index of 3.844. Pete's most outstanding activities have been Boys' Club President, chairman of the Junior and Senior Prom Committees, three year member of Student Council and Junior and Senior Honor Societies. Pete hopes to receive an appointment to the Air Force Academy.

Fourth Place

Linda Anderson placed fourth in the class with an index of 3.798. Linda has been active in Concert Orchestra and has received first place medals two years in a row for her participation in a string quartet in the state music competition. Linda has also been a member of White Caps, Les Parisiennes, Junior

and Senior Honor Societies, and All-City Orchestra.

Fifth Place

Linda Orlich and Frank Panchak tied for the position of fifth with identical indexes of 3.788.

Linda is Girls' Club president and head usher of Auditorium Council. She has also participated in Spanish Club, Junior and Senior Honor Societies, Thespians, Student Council and Joe Berg Seminar. She was elected Lieutenant Governor of Girls' State last summer.

Frank is Student Council vice-president and has participated in Concert Band and Orchestra, Junior and Senior Honor Societies, Latin Club, Joe Berg, World Affairs Forum, Junior Prom Committee and Freshman-Sophomore Play. He is a member of the **It's Academic** panel.

Thirty-Four Seniors Achieve 3.000 Index

Thirty-four seniors will receive special recognition at Commencement for attaining a 3.000 index or above during their high school career, announced Mr. Donald Torreson, principal. Nineteen girls and fifteen boys will be honored.

Honor students are Shirley Zivich, valedictorian; Tira Yermack, salutatorian; Pete Vasil, third; Linda Anderson, fourth and Linda Orlich and Frank Panchak tied for fifth.

Following the top six students according to scholastic averages are Dorothy Wotjan, Richard Oracheff, Georgeann Mandich, Gee Gee Burcham, David Horbovetz, Jean Kadish and Bob Kusmierczywk. Other honor students are Kathleen Hydo, Bill Dinwoodie, Steve Bartosh, Ed Majeski, Richard Laster, Elaine Kouvelas and Connie Zink.

Also included are Bill Davis, Kent Maybaum, Carol Koontz, Juanita Millan, Pat Olis, Larry Morgan, Gloria Chiabai and Carol Gersack. Concluding the list are Carol Kocovar, Michael Smith, Gregory Dimos, Jan Felton, Karen Simciak and David Stockwell.

Editor's Corner

Can Behavior Problems Be Solved?

We are proud of the excellent reputation that Lew Wallace has enjoyed for many years. We, among many in the school and community, have been shocked at the behaviour problem among our students. We are ashamed that such a drastic measure as eliminating stag dances has had to be taken.

This problem is not a sudden or new thing. In the past few years such conditions have existed that a small minority has grown to a point where they can no longer be ignored. In referring to "conditions," we mean a laxity of student morals and the decreasing authority of adults at student social functions.

It has been suggested that part of the blame should be placed on the chaperones of the dances. Last year Student Council discussed the problem of purses being stolen at stag dances. At that time the following suggestion were made:

1. a strict checking of ID's at the door
2. a minimum of 7 chaperones
3. a no re-admittance rule
4. a strict supervision of cloakrooms.

If these suggestions had been followed, part of the present problem would have been avoided.

Granted, that strict chaperones and swift discipline for breaking rules would have stopped many of the immature displays witnessed at recent social functions, the real problem goes deeper than this. Morality and good manners cannot be dictated. They must be acquired in the home, in the church, or in the community. It is our job to set an example that will predominate over those who seem to predominate now

New Student Teacher Likes Bridge, Sports

Miss Jane McCoffrey, student teacher of Miss Lola Lemon's biology classes, is a senior at Indiana University and will graduate in June with a B.S. in Education. Her home is in Gary.

Miss McCoffrey enjoys playing bridge, bowling, swimming, and is currently learning to play golf. Her pet peeve is people talking in class when the teacher is talking. She earned her first dollar working as a secretary during the summers while she was in high school.

During Class 81's homeroom meeting, Miss McCoffrey and the girls have discussed many topics related to working and college life such as courses taken as freshmen, how difficult college work is, interviews and job applications, and proper dress for business vs. dress for school.

Sulfur Experiments Cause Many Students Discomfort

If you couldn't help but notice a terrible aroma that resembled rotten eggs drifting out of the chemistry lab when you passed it last week, you might have wondered what caused the awful smell.

It seems that the chemistry classes of Mrs. Helen MacKenzie and Mr. Robert Manwaring have been working with the element sulfur, much to the discomfort of all the students in our school.

Lab experiments with sulfur dioxide, hydrogen sulfide and the burning of sulfur have produced this smell.

Take a bit of friendly advice and save your clothespins for your noses until the next time the chemistry classes are working in the laboratory.

Friday 13 Brings Bad Luck

Today is Friday the thirteenth so you should watch your step as well as your horoscope.

Don't let a black cat cross your path but go around the other way and be late to school; carry a rabbit's foot in your pocket to hang your keys on and throw salt over your shoulder so that it lands on the person sitting behind you in the cafeteria.

Walk around a chair three times. You can get dizzy doing this and be sent home to bed where you should have been in the first place.

"Seventeen" Sponsors Contest

How would you like to fly to New York and model for an issue of "Seventeen" magazine?

If you are a girl between the ages of 13 and 19, you could be one of the ten nationwide winners of the "Be A Seventeen Model" contest being sponsored by the magazine.

You can enter by filling out an application at H. Gordon's and Sons department store anytime before the deadline March 21.

Ten finalists from the Gary area will model in a style show opened to the public on March 30 at Gordon's tea-room.

The winner from this group of girls will receive a sterling silver charm and her application will be sent to New York where "Seventeen" will select the lucky nationwide finalists.

Voice Of The Student

Dear Editor;

There is a situation occurring during the 11:20 lunch hour which is bothering me and I would like to state my opinion.

At the beginning of the lunch hour, there are certain teachers who block the halls and won't let the students pass who can't make it through before the bell rings. I would like for a few of those teachers to take the same route many of us take and see if they could make it in the time we are allotted. Those few minutes do not give us very much time to come from one end of the building, go up the stairs to the third floor, deposit our books in our lockers, go back down the stairs and make it through the halls. The consequence we girls have to pay is to go outside in all the snow and run to the cafeteria door. I don't mean to imply that there should be additional minutes added to this time. What I mean is for those teachers to either let us pass or lend us their coats!

— A FREEZING GIRL

Dear Editor;

Something needs to be said concerning the poor behavior of a few students at the recent Boys' Club stag dance.

Although the cancellation of future stag dances seems to be the result, as a senior, I feel that this action is not really fair. The seniors who have conducted themselves in a proper manner have the right to enjoy the privileges of having dances during their last year of high school. This also applies to all other students who have shown their good conduct.

The one stag dance that can be held this year, on April 10, should be used as a determining factor. It should be the effort of all students to act correctly and with manners.

Hooked Rugs Made During Crafts Class

Cami Cokusis cannot only dance the bossa nova, she can do it on the bossa nova rug which she made as a project for Mr. Gino Burelli's 1:26 crafts class. Her black, white, yellow and brown project is only one of the class's many interpretations of the hooked rug.

Footprints were Julie Mastrionni's idea, while Richard Lahart made a design in a color he refers to as "gangrene green".

Karen Zieba made a raindrop with a face, and Pat Olis and Natalie Navicky both did a cherry in a glass of pink champagne.

Geometric figure rugs include a pink figure on a red background designed by Sharon McQuaid; brown, bieve and tan rectangles by Margie Kucan and red and blue squares by Darlene Dravet.

Pat Metroyanis created an abstract design in black and white, and Zita Drake made a snowflake pattern.

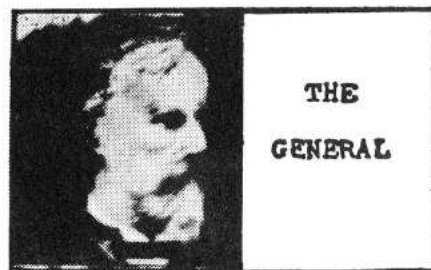

Linda Barbosa and Wayne Backe made snowflakes on shag rugs. Nick Podnar, Nancy Powenski and Mike Mandich also made shag rugs while Terry Evans worked on a loom rug.

The class has been working on this project since November. Some of the rugs can be seen in the display window on the first floor.

The Promise Of America

To every man his chance, to every man, regardless of his birth, his shining golden opportunity — to every man the right to live, to work, to be himself, and to become whatever thing his manhood and his vision can combine to make him — this, seeker, is the promise of America.

— THOMAS WOLFE

C'est moi, etudiants, world renowned journalist and correspondent, The General.

It's already March and that means that spring has almost sprung! I have notice that many students at LWSH are starting to come out of a sort of winter hibernation.

Before we realize it, graduation and the many events accompanying it will have arrived.

Already, seniors have ordered their calling cards and invitations. Rick and Bob Hurey had planned on ordering 500 invitations until they realized that at 14c apiece, it would cost them \$70.00.

Also seniors now have an opportunity to apply for many varied and generous scholarships.

Recently, Tom Linger and Joe Martin were in Miss Street's office to inquire whether or not there were any they would be interested in. Miss Street mentioned that there were several very attractive scholarships including one for a boy interested in working in a pickled herring factory and another for someone who wanted to attach hair to Beatle wigs.

I was very disappointed when I woke up this morning and discovered that I had a severe case of laryngitis. Susan Ernest, Sheryl George and Pat Dickerson from homeroom 62 had promised me that I could sing with them in the Girls' Club Sing. However, now I will not be able to participate.

Starting this month, the members of Boys' Club have been playing pool at the CYO. I'm very excited because Bob Bauer, Bill Green and "Barracuda" Johnson are going to take me along and teach me how to play the game.

Several students have taken extra precautions since today is Friday 13. Pam Kubiak is bringing her rabbit's foot to school; however, it is still attached to a live rabbit. Don Hale is making sure that he doesn't get up on the wrong side of the bed by not getting up at all today.

Janice Kos was rather upset this morning when her mirror fell out of her locker onto the floor and broke. Tom Jadrnak walked under a ladder in one of the rooms being painted on the first floor.

That's all the news for now, so I'm signing off until next issue.

Olympians Induct Seven Latin I Students;
Two Senior Girls Chosen To Visit Hospital

Ordering membership pins and seeing a film are among the activities in which seven new Olympians have been able to participate.

Latin I students admitted as new members are Amy Pruitt, Jim Daugherty, Dean Iracleanos, Joann Hallett, Sally Messina, Christine Slubowski, and Ed Zdobylak.

The pins were ordered from the Bale Pin Company of Boston, Massachusetts. According to Consul Supremus Bob Zimmerman, the Olympians have not bought pins before, but are doing so now in order that people will be able to recognize an Olympian member.

"The Calendar — Story of Its Development" was shown at the last meeting through the courtesy of the audiovisual department of the Gary Public Schools.

Girls Guests At House Party

Loretta Starzynski and Betsy McCaughey, seniors, were chosen by Mrs. Margaret Swisher to be guests tonight and tomorrow at the Methodist Hospital.

The girls will be given an informal supper and will be guests at the hospital's annual house party. Saturday, they will go on tours through the hospital and residential home.

White Cap members are making Easter favors for the pediatrics ward at the Mercy and Methodist Hospitals.

April 10 is the new date for the White Cap stag dance, featuring *Oscar and the Magestics*. I.D. cards will be necessary to get into the dance.

Joe Berg Discusses Future

The "Technological Future of the Calumet Region" was the topic of the fifth general meeting of the Gary Joe Berg Advanced Study Program. The meeting was at the School Service Center at 7:30 p.m.

The speaker was Mr. Arnold A. Coons, community relations director of the Gary Post-Tribune. Mr. Coons dis-

9 Foreign Language Students
Progress In I. U. Program

Five French students and four Spanish students successfully passed the written test for the Indiana University Honors Program in foreign languages. These students are now eligible to go to the next step in the program, the personal interviews.

French students who qualified are Paul Pronze, Amy Pruitt, Kathy Rodriguez, Pat McQuillken, and Doris Hutchens. Spanish students include Daniel Flowers, Carolyn Mallars, David Chnupa, and Nancy Guinee.

The Honors Program in foreign language consists of intensive learning programs in France and Mexico during the summer. Practical mastery of the language by each student is the primary goal of the program.

Miss Malinka Speaks To Biology Club

Miss Betty Malinka, representing the Gary Humane Society, spoke on the topic, "Be True Friends to Animals," at a recent Biology Club meeting.

Miss Malinka also explained the work of the organization. Its purpose is to prevent any type of cruelty to animals and to provide a shelter for stray or injured animals.

Guiding Teens In School
Theme Of P.T.A. Program

"Guiding Your Youngster Through High School," was the theme of the PTA program last week at 8:00 p.m. in the main auditorium. The program was presented by the guidance department.

Members attending the Founders' Day Program in February donated a sum of \$18.00, which will be sent to the Indiana State PTA.

The 1964 National Congress Convention will be in Chicago May 24-27. Many workshops and meetings have been planned for the various school representatives.

Sorority, Union, Club
Sponsor Scholarships
For 1964 Graduates

Scholarships are being offered to seniors by the National Sorority of Phi Delta Kappa, the Gary Teachers Union, and the Kiwanis Club.

Any senior girl who plans to become a teacher may compete for the 19th National Scholarship Award of \$1,000 offered by Phi Delta Kappa. The requirements for this scholarship suggest that teaching must be the first occupational choice, a need of financial aid, rank in the upper quarter of her class, a graduate in 1964 and a female.

The Gary Teachers Union is offering a scholarship to a boy or girl who plans to become a teacher, will graduate from a Gary Public High School plans to enter an accredited college or university, and ranks in the top 10 per cent of the class.

A scholarship which will give the recipient \$150 per semester for the freshman year at an accredited college, university, or nurses' training school is being offered by the Kiwanis Club. A \$250 scholarship is also available to students who are interested in vocational training.

A representative from Indiana University School of Medicine will come to our school to discuss medical education with prospective medical and nursing students if there are at least 30 students who show an interest.

NANCY GUINEE

Nancy Guinee Chosen
To Serve On County
Advisory Committee

Nancy Guinee, a junior, was recently nominated to serve on the Lake County Advisory Group for the Governor's Youth Advisory Committee.

Each high school in the Lake County area nominates one junior as a representative of the school. Twelve high school juniors are chosen from these nominees by the Lake County Governor's Youth Commission to represent Lake County on the Governor's Youth Advisory Committee. This committee will meet in a General Assembly in Indianapolis April 10 and 11.

All nominees will be asked to serve on the Lake County Youth Advisory Group, for which meetings will be scheduled, and programs planned at intervals during the year.

One of the principal goals of the Governor's Youth Advisory Committee is to bring young people together on the state, county, and city level to discuss their problems and to propose means toward their solution. Another goal is to stress to Hoosier youth the worth and dignity of the individual, the equality of man, the sacredness of freedom, the importance of religion in everyday living, and the significance of a body that is mentally and physically fit.

The Governor's Youth Advisory Committee will meet in an Indiana General Assembly bi-annually. The central event will be supported by annual meetings at the district level.

Boys 18 Years Old Required
To Sign Up With Uncle Sam

Many boys have been inquiring about registering for the draft. All boys are required by law to sign up for the draft within five days after their eighteenth birthday. Failure to do so could mean immediate induction into the service.

Boys should sign up at the Selective Service Office, which is located at 501 Pennsylvania Street. Office hours are 8:30 a.m. to 5:00 p.m., Monday through Friday. Boys must bring their birth certificate or, if they do not possess one, bring a letter from school verifying their age.

Upperclassmen Plan Proms
By Setting Date, Time, Place

The Senior Prom will be May 22 at the Crystal Ballroom in the Hotel Gary from 8:30 to 11:30 p.m. Couples will be entertained by Ronald Young's Band.

The Post Prom will be from 12:00 to 4:00 a.m. at Teibel's Restaurant with the Carmen Tiro Band and Dr. Green, a hypnotist, as entertainment.

Next month, seniors will sponsor a paper drive and a car wash to raise money for prom expenses.

"April Fantasy" is the name of the Junior Prom, which will be Saturday, April 4, from 8 to 11 p.m. at St. Mary's Russian Orthodox Church.

The color scheme will be pink and cranberry. The couples will dance to the music of Johnny Baker's band. Bids and pictures will be \$3.00 apiece.

The members of the Junior Prom committee will sell potato chips after school to raise money for the dance.

New Program Offered
To Juniors, Seniors

Indiana University has introduced a new program for high school juniors and seniors in which they may begin taking college courses during summer vacation.

Some advantages of starting a college education in the summer are to continue an education without interruption, to save money, to accelerate undergraduate programs, and to change smoothly from high school to college.

Students who will be graduating in the spring of 1964 and who are interested in attending Indiana University may enroll on the Bloomington Campus or at any one of the regional campuses. Application for admission must be filed before May 15, 1964.

Juniors who are recommended by their counselor or principal and have completed five semesters of high school work are eligible to apply for the collegiate credit for high school students program.

It is possible for students who enroll in this program to complete the regular four-year college program in only three years.

Seniors Vie For Title Of Most Valuable Player

Every year the student body is given a chance to select one of the senior members of the varsity basketball team as the **Most Valuable Player**. Following is a complete rundown of the seven seniors on this year's squad according to their positions.

GUARDS

Bob Malinich — Bob has had an outstanding year at the guard position. He was the top scorer in the conference with a total of 250 points in the 11 conference games. He also tied the scoring record for Memorial Auditorium with 55 points against Whiting.

Art Yagodnik — Art's dribbling ability and ball control has helped the Hornets out of many tight spots during the season. Art has also been one of the teams top scorers, often being in the double figures column.

Dan Sharp — As a utility man, Dan has played at both the guard and forward positions and has really come through when he was called upon.

FORWARDS

Tom Linger — Tom saw his action at the forward position. Although he was forced to miss several games because of an ankle injury, he is very aggressive and has been a great asset to the squad.

35 Linksmen Begin Practice For Season

Thirty-five linksmen have begun practice for the 1964 golf season. The team has been able to begin practice very early this year because they have obtained a brand new driving cage which has been placed in the west gym. The boys now are practicing two nights a week to get in shape until the end of March when they will begin practicing outside every night.

Coach William Mills said that he is looking forward to a strong season with four returning lettermen forming the nucleus of the team. The returning lettermen are George Buzuvis, Bill Brown, Ron Dartz and Ron Kacir.

Joe Martin — Joe's ball hawking was consistently unnerving to the opponent and enabled our netmen to score many extra points.

CENTERS

Roger Taylor — Roger, a six foot six inch center, has been a great asset under the boards. At times Roger has shown flashes of brilliance in the field as in the Sectional game when he scored 25 points against the tournament champion.

Dennis Litherland — Dennis wasn't afforded much opportunity to play behind the steady Taylor. When called upon, he proved the necessary drive and height that is so important to all teams.

Nine Lettermen Return To Baseball Team Hoping To Better Last Year's Performance

Nine lettermen are returning to the '64 baseball team. The returning lettermen are Ken Dowdy, John Hady, Bob Kusmierczyk, pitchers; Bob Malinich, short stop; Bruce Eichstadt, Jim Svetich, Steve Kulavek, Bill Mitchell, outfielders; and John Shinovich, catcher.

When asked what his outlook on the season was, Coach Larry Martin replied, "We hope to better last year's record and not only come out on top of the eastern half of the conference, but be the Northwest Indiana Conference champs."

Coach Martin also commented that the team was quite fortunate because the only big losses from graduation were John Grube, Fred Grubar, and Jerry Vedo. The first and second bases and the catching spot are open.

John Hady and Ken Dowdy have been listed as the most likely pitching starters, while John Shinovich is reported to be the probable regular for the other half of the battery.
